MAXXGARD® Diamond Ceramic Paint Protection System

Professionally applied protection against damage caused by weather induced fading, weather induced chalking, weather induced loss of gloss, acid rain, tree sap, hard water spots, ocean spray, de-icing agents/road salt, paint overspray, brake and rail dust, bird waste, or insect damage

Top of the line Paint Protection utilizes professional multi-step installation process to insure proper application and maximum protection from the potentially disastrous effects of the environment on the painted surfaces of your RV.

MAXXGARD® Interior Appearance Protection System

Professionally applied protection against fast food, beverage stains, baby oil, lubricating oil, bleaches, dyes, inks, fading, discoloration, sun's UV rays, mold, mildew, chewing gum, crayons, lipstick and makeup, blood and bodily fluids (including those caused by pets).

FABRIC & CARPET Protection
Unique formula preserves showroom look, does not alter original color or texture, allows fabric to breathe and retain softness, while providing an extra "layer of protection" against surface dirt and staining.

LEATHER & VINYL Protection
Leather and vinyl stays soft and supple while being perpetually protected from the internal and external ravages of sunlight, dryness and temperature extremes of heat and cold.
